ARTIST STATEMENT

In my paintings I react to what I see, think and feel. I am a painter and have been managing a specialist optician shop in Berlin, Prenzlauer Berg for 15 years. My studio is integrated in the optician shop. "Painting means learning to see". I decided to start showing my pictures in public in 2014 and had the great honor to exhibit together with well-known artists. In 2015 I co-founded the artist community "FO YOU". Since then, I organize and curate large exhibitions on a regular basis.
